

That 7⁰'s Auction!

Broadview Thomson PK-8 Annual Auction

March 24th, 2018

Bitterlake Community Center

Auction Wish List

Our primary fundraising event is the Annual Auction held in the spring each year. A combination of donations, trips, student art projects and many more items are auctioned off to the highest bidder. The funds raised at this event provide a significant portion of the annual PTA operating budget, supporting school and student activities that impact each & every BTK-8 student.

To pull this event off we need your help!!

Please help support Broadview Thomson by donating any of the following items from our Auction Wish List.
