Dear Friends of Broadview,

Broadview Thomson PK-8, is hosting its annual auction on **Saturday, March 24th 2018**, at the Bitter Lake Community Center. Last year, over 170 supporters attended the Broadview Thomson PK-8 fundraiser auction. With your help, we raised over \$105,000 to fund a library renovation, science programs, writing and arts education, and field trips for our students to further support their classroom experiences in science, social studies, art and music.

There are more than 560 students that attend Broadview Thomson. Speaking 37 languages we are very culturally, racially and socioeconomically diverse. **With nearly 65% of our student population living at or below the poverty line**, your donation makes a positive impact for the children in our community!

Please consider showcasing your business at our auction with a donation of an item or service.

Here's how you can help:

- **Contribute an item(s) or service(s)** and be acknowledged in the official auction catalog and website. Silent auction items can display your business services with pamphlets and business cards.
- **Become an event sponsor.** Options and details are on the website at [broadviewthomsonpta.com/fundraising/2018-auction](http://broadviewthomsonpta.com/fundraising/2018-auction). Your company name will be listed prominently in the catalog and you will receive recognition at the auction event, on our website, at school and on all auction information sent to our families.

With any donation, your business name will be recognized prominently in our silent or live auction display and official catalog. Please return the enclosed procurement form to our school by **February 1, 2018**. A member of our auction committee will be in touch with you to follow up. Meanwhile please feel free to contact us if you have any questions.

Thank you again for your support of our community's children.

Sincerely,

**Jill Ball, Jodi McKeeman, and Marla Branch**
